

# 150mm Aluminium Bar Grille

Alpine Ventilation has developed a stylish aluminium bar grille for bathrooms and laundries. Used with an inline axial fan, it is an ideal alternative to exhaust fans with a built in grille. A 150mm adapter connects directly to ducting. Using a grille with separate inline fan reduces noise when compared to a regular exhaust fan with grille.

- + Contemporary styled aluminium construction
- + ABS adapter connects to ducting
- + White powder coated face
- + Spring-loaded clips secure grille to plaster – no screws required
- + Ideal for ceiling installation
- + May be used in a wall only if there is sufficient space in the wall cavity
