

# Clip Seam Galvanised Pipe

Alpine Ventilation has a range of 5 sizes of clip seam pipe to work in conjunction with mushroom cowl vents in a roof vent installation. Pipe simply clips together along the seam for secure installation. Pipe is 600mm long and has a crimped male end to attach inside ducting.

- + Thick 0.6mm galvanised steel construction
- + Clip seam join
- + Crimped male end
- + Compatible with Alpine mushroom cowls (and most other brands)
