

Y Piece Connectors

Alpine Ventilation carries a range of poly Y piece connectors when ducting has a take-off point in the line. These are regularly used when 2 fans are being exhausted via one vent- or when a new room is added to a ducted system.

- + Black polyethylene construction
- + Compatible with insulated and non-insulated ducting
- + Manufactured in Australia
- + Other sizes available on request

Code	Description	Size (mm)	Carton Qty
